Zoning still an issue in Stanhope Township

Restructuring of government and zoning are still main issues in Stanhope Township.

Harry Davis, candidate for deputy reeve in the township told a crowd of about 100 people at a meet the candidates night that res-

tructuring has to come or it will be forced upon the area by the provincial government.

"Unless we take steps to put it in force, the government will take steps to impose it on us," he said.

Napier Simpson, incumbent candidate for council in

the municipality stated that he ran for council in the last municipal election because he wanted to see land zoning come to Stanhope.

He said that since the zoning has not come he has decided to attempt to regain his seat on the council.

In Mr. Davis' address to the crowd, he noted that he has no quarrels with the incumbent deputy reeve candidate Jim Harrison but he thinks that from time to time there should be changes in positions.

Mr. Harrison said that he has worked a great deal on roads in the community along with Reeve Sinclair Nesbitt. He pointed out that he also worked with the library committee in establishing a great deal over the past two years.

Elvin Johnson, candidate for council, said that he did not have a great deal to say at the meeting but he is proud of the work done by the fire department in the municipality. He pointed out that he serves on the department.

John Muise, another candidate for council, said that Stanhope needs to keep the young people in the community after their schooling days are over.

He noted that he would attempt to find ways to keep the young people from leaving the community.

In his address, Mr. Simpson said that he is glad to see a large slate of candidates for the positions on the council.

He did urge the voters to take a good look at the board

of education before they put their marks on the ballots.

Elgin Stouffer, candidate for council, based his platform on the environment. Mr. Stouffer pointed out that there is a need to enhance the environment in the area.

He added that if elected to council he will give all

expenditures a careful look.

John Tomlinson, incumbent candidate for council, said that any friction between the cottagers' associations and the council has ended. He pointed out that the problems were solved over the past couple of years.

The good and bad of living in Toronto

Two summer residents of Stanhope Township from the Toronto area both feel that there are problems serving on council and not always being in the municipality, but there are some benefits.

Napier Simpson and John Tomlinson, who both served on the council during the past two years and are seeking second terms agreed that there are problems in the distance separating them and the municipality sometimes.

They were speaking at a meet the candidates night held at the Stanhope Fire Hall last Saturday night.

Mr. Simpson said that the situation is ideal although it does work two ways. He pointed out that a councillor living in Toronto has the opportunity to serve the community from that end by being closer to the various ministries at Queen's Park.

He also pointed out that by being in Toronto a councillor is also close to the ratepayers of the municipality that live part of the year in that section of the province.

It was pointed out at the meeting that Mr. Simpson and Mr. Tomlinson only missed one meeting of the council, a third reading of a bylaw.

The Haliburton Beaconbrook Midgets opened up on Little Britain and came up with a 17-3 win in the game played Saturday night at the Dysart

Arena. The big guns for the Midgets were Rod Consack and Bernie Nicholls with 10 points each. For details see page 7.

Quality of education, busing discussed

Busing, communications and the quality of education were among the many points discussed by Haliburton County Board of Education candidates in Stanhope Township.

Mr. Eager, a candidate for the board, said that he hears little news about what is going on with the board of education.

He noted that it elected he will attempt to improve the communications between the board and the people.

Mr. Eager said that he is also interested in the cost of busing and would like to see it kept down.

Lucy Hewitt Gibson, incumbent candidate, said that education has improved since it was put on the county system.

She wished Mr. Eager luck on the busing situation and pointed out that it has been discussed many times by the board.

Dorothy Kinsman, candidate, said that she wants to see the area continue in a forward direction. She pointed out that it is a time to get back to basics and put an end to permissive education.

She pointed out that she has served as a teacher and principal in the system.

Incumbent Wilfred Mason pointed out that Haliburton County is not the only area with high education costs.

He pointed out that there is one bright spot, that Haliburton pays the lowest teachers salaries in Ontario.

He said that the board is very proud of its teaching staff and the job it is doing for them.

Beverly Pettes, candidate, said that she is happy with the number of people seeking the positions on the board of education.

She noted that her family is still in the school system which has kept her interest up in the education offered.

JP says half truths in Echo police stories

Dean Elliott, Justice of the Peace for the Province of Ontario, in Minden charged that there have been half truths, allegations, and innuendoes contained in articles and editorials which have appeared in the Haliburton

County Echo concerning a request by Dysart Council for an Ontario Provincial Police detachment in the municipality.

Mr. Elliott in a letter to the editor said, "I have read with some interest your

recent articles concerning the request of Dysart Council for a Haliburton Detachment of the Ontario Provincial Police."

He said he could go to some length disputing many of the "allegations, innu-

endoes and half-truths" contained in The Echo articles but instead will only offer Reeve Fearrey the Dysart Council a simple piece of advice.

Mr. Elliott said that instead of "Going right to the top" and contacting the Attorney General of Ontario, Roy McMurtry, the council should contact John MacBeth, Solicitor General for Ontario "as he, not Mr. McMurtry, is the minister responsible for the Ontario Provincial Police."

At its last meeting Dysart Council decided to request a meeting with the Attorney General after receiving a note of request of Ontario Provincial Police Commissioner H.H. Graham.

Vandalism

Scott is concerned

Bill Scott, MP Victoria Haliburton is concerned with the increase in vandalism and the penalties imposed on offenders by the courts.

In questioning the Minister of Justice, Mr. Scott asked what action had been taken by the government in response to the countless recommendations made by Ontario municipalities who expressed concern over the matter.

"Regrettably," Mr. Scott

said, "the minister side-stepped the issue and attempted to discuss gun controls, which are another matter completely."

Mr. Scott noted that in recent months he has received letters from many municipalities across the riding who wrote in support of a resolution passed by the Town of Trenton regarding this situation.

The resolution from Trenton expressed concern to both the federal and provin-

cial governments about the increase in crime and its dissatisfaction with the punishment being handed down by the Courts to offenders.

The resolution has been circulated to all municipalities in Ontario for their endorsement.

Echo Inside

Large turnout

A large turnout at the organizational meeting of the Haliburton Highlands Cross Country Ski Club was a surprise to organizers. For details on the meeting see page 3.

Huskies lose 5-2

The Haliburton Huskies had a third period let-down Friday and found themselves on the bottom end of a 5-2 score. For more details see page 6.

Service medals

Phyllis Montemiglio, Zone F4 Auxiliary Commander speaks to the gathering of representatives from twelve Zone F4 Legion Auxiliaries who assembled in Haliburton Friday night to award three Golden Anniversary Service Medals. Mrs. Montemiglio, who received a medal for her many years of service, thanks the Auxiliaries as Gwen Rivers, president of the Haliburton Legion Auxiliary looks on. For story and picture see page 3

Louise Ruppi found guilty of manslaughter

Patricia Louise Ruppi, 56, of RR 2 Kinnmount was found not guilty of murder but guilty of manslaughter last week by an Ontario Supreme Court jury.

She had been charged with non-capital murder in connection with the shooting death of her husband, Alex Ruppi, 71, Dec. 13, 1975 at their farm home south of Minden.

Crown counsel J.H. Woron said that the crown will not be severe in seeking a penalty because of the background of the case.

The jury, made up of eight women and four men, deliberated for seven hours and 15 minutes before coming down with the verdict.

Addressing himself to Mrs. Ruppi, Mr. Justice Henry said it had been a very long and hard trial. "The jury has made its

decision and its members would not have found that easy to do. I only want to say this, that you will be coming up before me for sentence on Tuesday and I will be seeing you then and will have more to say and will hear what you have to say."

Marla leads Pee Wees

Marla MacNaull helped prove that women aren't the weaker sex when she scored two goals to give Haliburton Pee Wees a 3-3 tie with Sunderland in a game played Saturday night.

The coaches of both teams agreed that Marla was the star in the game both offensively and defensively.

The other Haliburton scorer was Wayne Welch.

At least \$3000 and perhaps more, went up in smoke Monday noon, according to Basle Cooper of West Guilford, as his garage along with a tractor and another tractor motor were

lost in the blaze. Volunteer firemen from Dysart were quick to respond to the call and kept the fire from spreading through the tall grass and bush to a nearby residence but

were unable to save anything of the garage itself or its contents. No injuries were reported.

MUNICIPALITY OF DYSART ET AL
MONDAY, DECEMBER 6, 1976

Once again I am soliciting Your
Support BECAUSE!

- (1) I have a vested interest in the youth of Haliburton County, and that they receive equal educational opportunities as the rest of the province.
- (2) I have many years experience.
- (3) I have children in the Elementary and Secondary Schools.
- (4) Because of my continued interest in the County Educational System, I have given generously of my time. I will continue to do so if elected.

YOUR SUPPORT
WILL BE APPRECIATED

VOTE
ELVIN JOHNSON
FOR
COUNCILLOR

Had first pay phone installed in Stanhope. 10 years experience on Stanhope Municipal Telephone System.

6 years on School Board with 2 years as Chairman.

6 years experience on COUNCIL. Was successful in helping to bring about our efficient FIRE DEPT.

2 years as Scoutmaster of first Carnarvon Troop.

A constant interest in Community Affairs.

If elected I promise to serve My Township to the best of my ability. Your requests will receive careful attention.

Haliburton Highlights

The Coboconk Feed Mill is under new management. The new owner is John Burgess of Haliburton. John was a former employee there and then decided to buy the business. We wish him the best of luck in his new business enterprise.

Just a reminder here that December 6th is election day so make good and sure that you get out and vote. It's a privilege not a duty.

Prentice Roads Ltd. of Minden are now the franchised Skidoo dealer for Haliburton Village and surrounding area.

All movie goers please note that the outstanding motion picture In Search of Noah's Ark will be playing this coming Friday and Saturday at both the Molou Theatre in Haliburton and the Beaver Theatre in Minden. Its being billed as the greatest discovery of our time. High atop a mountain in Eastern Turkey is a giant 5,000 year old wooden ship containing hundreds of stalls and cages. Is it Noah's Ark. Come on out and see.

The Ontario Society for Crippled Children administers the provincial governments program of financial assistance towards the cost of drugs and equipment for needy cystic fibrotic children.

Stedmans at Haliburton held their Annual Christmas Shopping Party at their store in Haliburton on Tuesday night.

This Thursday, November 25th is meet the candidates night for the Municipality of Dysart et al. The meeting to be held in the Haliburton Arena Auditorium will start at 8 p.m. Make it a date now to attend.

A reception to welcome the new owners of the Haliburton Hockey Haven was held at the PineStone Inn at Haliburton last Friday evening. A number of people from Haliburton and the surrounding area were on hand to meet the new owners Robert D. Smith and Richard L. Wilson. Among those present were the former owners Wren Blair and Jim Gregory.

There will be a rummage sale at the Salvation Army Hall in Haliburton this Friday, November 26th from 10 to 3 p.m.

The paving has been completed on certain sections on Highway 121 between Haliburton and the PineStone Inn.

Four charged with theft of truck

The Minden detachment of the Ontario Provincial Police has charged four youths with theft over \$200 and break and enter in connection with a stolen truck and a break in at a cottage early Sunday morning.

Police report that the truck, a 1975 model was found in a ditch near Miners

Bay with \$300 damage. A cottage owned by William Wunker, in Miners Bay were also broken into. Two of the juveniles have been apprehended while the other two are being sought in the Toronto area. The juveniles range in age from 12 to 15 years. They resided at a boys counselling centre in the Minden area.

Minden News

Mr. and Mrs. Ron Welch and girls of Frankford were guests last week with his mother Mrs. Harry Welch.

Weekend guests with Mr. and Mrs. John Hewitt were Mr. and Mrs. A.G. Jones of Toronto and Mr. and Mrs. Jack Cowan of Philpston.

Sincere sympathy goes to the family and friends of the late Edward Charles Bird whose funeral was last week.

The Figure Skating Club of this village are having a Bake Sale Bazaar at the Recorder Office on Saturday Nov. 27 from 1-4 and they are dressing dolls in home-made clothing, a good Christmas gift.

Anne Dawson and Agnes Mulling enjoyed a holiday in Florida.

Guests over the weekend with Mrs. Wallace Walker included Mr. and Mrs. Junior Walker and family of Danford and Mr. and Mrs. Wayne Walker and family of Cameron.

Congratulations to the new-laws Mr. and Mrs. Jim Alton (nee Carol Saido) and Mr. and Mrs. Wayne Cox

\$2,500
grant
for minor
hockey

The Haliburton Minor Hockey Association has received a grant of \$2,500 from Wintario.

A release from the association stated the grant was approved to assist in the acquisition of new uniforms for all 10 teams in the minor hockey system.

The new uniforms have already been obtained for the teams and the OMHA representative teams should have theirs before too long, the release stated.

It pointed out in the release that the application for the grant was initiated by John Roubie as one of his last official acts as president of minor hockey.

With the continuing rise in the cost of running a minor hockey program for the community the grant is certainly welcomed by the executive. Without it there is no possible way that the entire system would be provided with this much needed equipment.

Hospital

In the hospital this week were Kenneth Scott, Mrs. Eva McPhail, Mrs. Della Griffin and Ross Bryant.

Phyllis Montemiglio, present Zone F4 Commander for the Ladies Auxiliary of the Royal Canadian Legion and Isabel Smithers, past Commander of the Zone, are decorated with roses before they received their Golden Anniversary Service Medals at a gathering of the Ladies Auxiliaries from across the Zone held Friday at the Legion Hall in Haliburton. Third in line is Helen Hall, present to accept

a Service Medal for Debbie Perriman, also a past Zone Commander. Jan Shipley, treasurer of the Haliburton Legion Auxiliary, awarded the flowers. The medals were pinned on by Cliff Cote, the District F commander. Given only in the Anniversary year, the medals are to honor outstanding service to the Legion.

Large crowd at ski club meeting

An unexpectedly large turnout at the first and organizational meeting of the Haliburton Highlands Cross Country Club held Monday at Haliburton Highlands Secondary School seems to indicate that there will be lots of good company for anyone on the cross country ski trails this winter.

The executive of the newly formed club is made up of president Blair Pierce, vice president John Beachli, Education Co-ordinator Karl Hartwick, trail supervisor Bob Heyes, treasurer Kit Koehler and secretary Al Oakley. They presented a gathering of more than a hundred would be skiers with valuable information and advice and a chance to enroll in the club.

Fred Loosemore, an instructor at Camp Kandalore's residential winter school for outdoor education, shed some light on the subject of choosing and paying for the right equipment.

Goals of the Club were explained in terms of promoting cross country in the Haliburton area, to provide a

form for those interested in the sport to meet and participate with others of the same mind and to provide information, basic instruction and organized and informal tours.

Dr. Heyes outlined plans for a Haliburton Tour of about six miles (ten kilometres) and a shorter alternate route for beginners, that is projected for February 19 or 20 to coincide with the Rotary Winter Carnival in Haliburton.

The Club has begun the preparation of a 4 to 5 mile blazed trail marked strictly for cross country skiers that has been laid out in Glebe Park on 200 acres lying to the north of Head Lake.

Long term objectives for the Club include providing an interlocking network of trails in conjunction with the Kashagawigamog Lodge Association.

This winter will bring weekly or bi-monthly informal tours, with the route laid out by a club member. Members will be able to meet for an afternoon's outing, and will be kept informed by newsletter when necessary on any new developments.

The enthusiasm that was apparent at the meeting will probably carry the club a long way in this first year. With the rapidly increasing interest in cross country skiing, the Club will undoubtedly do well. While only 30 to 40 were expected to be at the meeting according to one estimate, at the half way mark in the evening there were 52 members signed up, families friends and parents included.

Correct time

This newspaper apologizes for any inconvenience caused by a mistake last week in a Ministry of Natural Resources advertisement for the sale of timber. The correct time should read 2 p.m.

Legion News

Again this year Branch 129 Royal Canadian Legion conducted its Poppy Campaign and with the help of some dedicated people it was a great success. I would like to thank Harry Cowen and Hugh Lester for the job they did in the Minden, Carnarvon, Halls Lake area, these two men are old campaigners when it comes to Poppy Fund time. Our thanks also to the young people who were such enthusiastic helpers in all areas of the drive. The money collected in the Poppy Canvas is used for veterans and dependents welfare and this Fall some of the funds have been used for Operation Service.

If by chance you were not contacted by one of our canvassers and would care to still donate a cheque made out to POPPY FUND would be much appreciated. My thanks to all who helped.

ED FUJAR
POPPY FUND CHAIRMAN

Golden Service medals

Representatives of all twelve Ladies Auxiliaries in zone F4 of the Royal Canadian Legion met on Friday night at the hall in Haliburton to honor Phyllis Montemiglio, Isabel Smithers and Debbie Perriman with Golden Anniversary Service Medals.

The medals being given out only in this 50th anniversary year, are awarded to a limited number of Legionnaires or Auxiliary members who have given at

least 10 years of service to the Legion.

Gwen Hughes, head of the Haliburton Auxiliary, gave a brief summary of activities that have been a part of the golden anniversary year, and congratulated the three winners noting that the awards were made possible by all the auxiliaries in Zone F4.

Ladies from Auxiliaries in Kinnmount, Bobcaygeon, Fenelon Falls, Omeme, Cobocok, Lindsay, Sunderland, Brechin, Woodville, Cannington, Cardiff and

Haliburton were on hand as District F Commander Cliff Cote presented the medals to the three women who have all spent many years helping the Legion with their time and many talents.

Debbie Perriman, a past Zone F4 Commander was unable to be present. Her award was accepted for her by Helen Hall also from Fenelon Falls Auxiliary. Mrs. Perriman was a charter member of the Fenelon Falls Auxiliary in 1941 and the first president. For eight

years she served as zone commander.

Isabel Smithers, a past Zone F4 commander from Woodville accepted the medal that she deserved for her work with the Legion which began in 1955 when as a charter member of the Auxiliary she was first president and held the post for three years.

In 1960, Mrs. Smithers was elected to the position of Zone F4 commander. Having spent 10 years in that position, she still serves the Woodville Auxiliary.

The present Zone F4 Commander, Phyllis Montemiglio, is a third generation Auxiliary member and her four daughters have also joined. The gathering was told that Mrs. Montemiglio, from the Lindsay branch, has held most of the offices to be had in the Legion over the many years that she has served. She has been the Zone Commander now for seven years, and was wished every success with her chances in Provincial zone elections.

Following the presentation of the honors, the gathering of auxiliary members was entertained with music by Al Blanchard, Ray Jenkins, Paul Brohm and Larry Sicard. The Haliburton Legion Pipe Band was also on hand with their excellent talent to make the affair at the Legion well remembered and well enjoyed.

OPP investigate 15 car crashes

The Minden detachment of the Ontario Provincial Police investigated 15 motor vehicle collisions during a one week period from Nov. 15 to 21.

During that time the staff also investigated 47 general occurrences, three break-ins and delivered two compassionate messages.

A two vehicle crash Saturday afternoon resulted in \$800 damage to a car driven by John Houston, 52 of Scarborough and \$1,000 damage to a van driven by William Kuhlman, 48, of Hamilton.

The accident took place on Highway 648.

There was \$600 damage to a car driven by Melvin Madill, 39, when the car slid into a tree. Madill has been charged with driving an unsafe vehicle. The accident took place Friday afternoon.

Larry Robinson, 20, of Haliburton, was charged with careless driving as the result of a single car accident involving a vehicle he was driving.

The car entered into the west ditch of Harburn Road and rolled down an embankment. There was \$1,700 damage to the vehicle. The accident took place early Thursday morning.

A single car accident Wednesday resulted in \$2,500 damage to a vehicle driven by Marion Kinsman, 41 or RR 2 Minden.

The accident took place on Highway 35, north of Davis Lake Road.

The OPP report that the accident took place on Shangri-la Road.

A single car crash early Saturday morning resulted in \$1,500 damage to a vehicle driven by David Leveley, 17, of Wilberforce.

The accident took place on Highway 648.

There was \$600 damage to a car driven by Melvin Madill, 39, when the car slid into a tree. Madill has been charged with driving an unsafe vehicle. The accident took place Friday afternoon.

Larry Robinson, 20, of Haliburton, was charged with careless driving as the result of a single car accident involving a vehicle he was driving.

The car entered into the west ditch of Harburn Road and rolled down an embankment. There was \$1,700 damage to the vehicle. The accident took place early Thursday morning.

A single car accident Wednesday resulted in \$2,500 damage to a vehicle driven by Marion Kinsman, 41 or RR 2 Minden.

The accident took place on Highway 35, north of Davis Lake Road.

Improving public utilities

Lloyd Coneybeare, incumbent candidate for deputy reeve of Dysart, says he is interested in continually improving the public utilities in the municipality.

Mr. Coneybeare, in a news release, said that he has a great deal of experience on municipal council, 14 years in all, which will help him if re-elected.

Fan support lacking at hockey games

In this day and age there just seems to be too much going on and too many things to do. Some people seem to be going somewhere every night while others are glued to their television sets.

One thing that seems to be lacking is fan support at the hockey games at the Haliburton Arena. Hockey fans seem to be staying at home in large numbers and it's making it very hard for the local teams to finance themselves.

Very few are turning out for the minor hockey games while the midgets and the juniors are drawing very little support.

Last Friday night only 50 fans turned out at the junior game to see the Haliburton Huskies play Lakefield who are one of the better teams in the league.

Both the midgets and the juniors

have good hockey clubs this year and we can't understand why they are not receiving better support at the games.

From here on in this winter let's hope that fans will turn out in large numbers and give these teams the support that they so richly deserve. Let's also not forget that these are the hockey stars of the future and that they are playing a top notch brand of hockey.

Something that we just can't forget is the Haliburton Minor Hockey Association with its many teams. These young players like to see the fans at the games cheering them on and it's all important that the parents turn out to cheer their boys on to victory.

We go back to the old slogan "Keep a boy on ice and you will keep him out of hot water."

Fewer killed in car accidents this year

In the nine months ending September 30, statistics show 129 fewer drivers and passengers killed and 9,765 fewer injured in motor vehicle accidents, compared to the same period last year, Transportation and Communications Minister James Snow reported today.

"My Ministry feels -- and many police and safety officials agree -- that Ontario's seat belt law and, to some extent, lower speed limits have had a considerable impact on this drop," said Mr. Snow, "even though not everyone is buckling up and many motorists continue to drive faster than the posted speed limits."

MTC statistics show that 808 drivers and passengers were killed during the first nine months of 1976, compared to 937 at the same time one year ago, a decrease of 14 per cent.

"Even more impressive is the 17 per cent decline in the number of drivers and passengers injured. A total of 49,201 people were hurt in traffic accidents through the first nine months of 1976, compared to 58,966 in 1975. That's close to 10,000 fewer injuries -- and that's a step in the right direction."

"If this trend continues, I'm optimistic that by year's end Ontario will have had the lowest highway death and injury rate in 10 years," said the Minister.

Mr. Snow concluded that "our latest figures indicate that almost 90 per cent of all accidents occur when the condition of the driver is normal, when driving conditions are normal, proving to me that if every motorist concentrated on driving safely, we could do even better."

All elected seats are very important

The slogan for the coming municipal election in most areas of the county should be "Get out and vote."

We can foresee difficulties in getting the ratepayers out to polls in the election because of the number of reeves who are acclaimed.

The voters must remember that it is very important to get out and use your right to vote.

The positions that are being contested in the election are very important. They are all as important as the reeveship possibly more important. The point is for the council seats is that

they are voting positions compared to the reeveship which is that of a chairman.

The Board of Education seats are also important to the taxpayers of the area. It doesn't take long for a person to realize that the board is the major spender in the area and how that money is spent should be a concern of everyone.

It is not a matter of who you vote for but that you should be voting, municipal government is the grass roots of our political system.

Our Pic of the Past this week shows the students of the S.S. No. 3 Dysart Room 4. It was taken in November 1938.

Front row left to right, Lyle Miner, Grant Kellett, Ronnie Austin, Gaff Davies, Collin Brennan, Boyd Robertson, Greville Schell, Keith Austin.

Second row, left to right, Edna Porter, Doreen Miller, Doris Johnson, Jayne Whiteside, J. Austin, Lorraine Robertson, Noreen Roberts,

Our thanks to Jack Bannon of Haliburton for submitting this photo.

As others see it

Dear Sir:

I have read with some interest your recent articles concerning the request of Dysart Council for a Haliburton Detachment of the Ontario Provincial Police.

Although I could go on in length disputing many of the allegations, innuendoes, and half-truths contained in your articles and editorials, I will simply offer Reeve Fearney and his Council this simple piece of advice.

Instead of "GOING RIGHT TO THE TOP" to Attorney General Roy McMurtry, I would suggest that Reeve Fearney and his Council contact the Honourable John MacBeth, Solicitor General for Ontario, as he, not Mr. McMurtry, is the Minister responsible for the Ontario Provincial Police.

Yours very truly,
S. Dean Elliott,
Justice of the Peace
for the Province,
Minden, Ontario.

The International calendar is filling up with meetings dealing with that most enduring of problems - how to help the developing countries of the Third World. Several sessions are already underway, and in the next few months there will be more such gatherings at which representative of the developing nations can be counted upon to press their case for more aid.

United Nations' committees are involved in commodity negotiations and discussions on the terms of technical contracts between the developing and developed countries. Next May an international conference at the ministerial level is planned to discuss the mounting debt of the developing countries. (The World Bank estimates the total external public debt of these nations in 1974 - latest available data - at \$151 billion, up from \$122 billion in 1973.)

Another important gathering, the Conference on International Economic Co-operation, is slated for early next year. It will involve 19 developing countries and eight developed nations, including Canada.

The plight of many Third World countries does indeed demand no lessening of aid efforts by the developed nations. The UN estimates, for example that there are 700 million people in Asia, Africa and Latin American who are destitute.

The need is not going unrecognized by the developed countries. The Development Assistance Committee (DAC) of the Organization for Economic Co-operation & Development (OECD) estimates that the total flow of resources, including export credits extended by official and private institutions and direct and portfolio investments, to developing countries by DAC members in 1975 was a record \$37 billion. If grants by private agencies are included, the total flow was almost \$39 billion, equal to 1.02 per

cent of DAC members' combined gross national product.

This marks the first time the 1 per cent of GNP target set several years ago by the UN has been reached. In real terms, official development assistance increased by an estimated 10 per cent in 1975, 20 per cent in dollar terms.

The Opec nations are also boosting their aid to the developing world. It is estimated that total commitments to developing nations by Opec members rose to about \$9 billion in 1975, compared with \$8.5 billion in 1974 and \$1.5 billion in 1973.

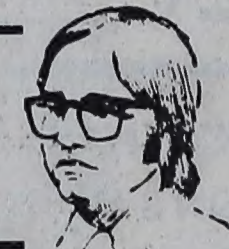

It is of course easy to say - as many do - that the developed world should do more. But significant increases in aid are unlikely without some improvement in the economies of the developed countries. The OECD, for example, estimates that, compared with the averages over the 1962-73 period, all of the major industrial non-communist nations are now suffering from "abnormal" unemployment and inflation.

Under present circumstances, it is unrealistic to expect that the developed countries will sacrifice a small part of their growth rate to further aid the developing nations, as was suggested in a report on the future of the world economy commissioned by the UN Department of Economic & Social Affairs which was released last week. Expanded aid to the poor countries depends no more healthy economies in the rich nations.

The Financial Post

Editor's notebook

BY JIM BADGLEY

Stick to your guns Dysart Council, don't ever give up the fight for better police protection in the municipality.

What we are looking at, at least what we appear to be looking at is a bit of bad planning on the part of the Ontario Provincial Police and now they don't seem to want to do anything to rectify the situation.

The OPP detachment in Minden is not in the centre of the county, Dysart or more so, the village of Haliburton is in the centre. If you look closely at a map you will notice that it is a long way from Minden to Wilberforce and a lot less from Haliburton to Wilberforce.

There is no fault to be found in the Minden OPP, its personnel and the job they are doing. It is almost admirable the good job they are doing considering the obvious disadvantage they are at.

What Dysart Council seems to be trying to do is put an end to that disadvantage but are running up against brick walls when it comes to dealing with the OPP officials, not locally but in Toronto.

As I said last week, the OPP are a government

body, supposedly run by the people, and designed to serve the people, but maybe these ideals are a little and we will concede the fact that the police officials know more about policing than we do. The police must concede the fact that some people probably do have some constructive ideas as well and I think that Dysart Council is offering just that.

Hopefully Dysart will get a little more willing ear when it approaches Attorney General Roy McMurtry. If not the time has come to go a different route.

One of the more progressive moves the province has taken over the past few years was establishing an office of the Ombudsman and or provincial heads couldn't have picked a better man than Arthur Maloney.

I think Dysart can rest assured that Mr. Maloney will be able to help the cause and lend an interested ear. The Ombudsman has been very successful over the past couple of years and has been given basically a free hand to do what he thinks is right.

There are a number of other alternatives for Dysart. One can bet that MPP John Eakins will

be in fighting for the municipality. I would also bet that the Premier of Ontario, Bill Davis, would be interested in the type of reply Dysart got from OPP commissioner H.H. Graham.

Politicians have a knack of knowing what side the bread is buttered on and it is buttered on the side of the people. Another benefit Dysart has is that a provincial election is likely getting closer. Queen's Park is always a little more understanding when it thinks a few votes can be won.

Back in Dysart one will find out that our municipal council is not going to take a back seat on matters of this nature.

I am positive that our council will continue to knock on doors at Queen's Park and eventually we will see some results.

The election scene in Haliburton County isn't exciting this time around. With few races for reeve in the county it will be up to the people seeking council seats and positions on the board of education to bring out the vote.

Comments from MP Bill Scott

The stunning victory of Rene Levesque's Parti Quebecois in the recent Quebec provincial election has understandably shocked most Canadians, but it must be said that the Liberal government of Quebec got just what it deserved.

Premier Bourassa and his cabinet failed to provide leadership in the province, and in fact failed on every count; economically, politically and socially. The government had lost touch completely with the people they were elected to serve.

Election after election, Bourassa campaigned on a platform of fear, telling his people that if they did not vote Liberal Quebec would fall into the hands of the separatists. Finally, last week, it blew up in their faces, and the Liberals were swept out of office.

Prime Minister Trudeau is as much to blame as the Quebec Liberals for the victory of the separatists. Trudeau has also used fear tactics to get voters to back his government, and I have no doubt that he too has come to the end of his ill-starred political career.

All too often we have been told to vote Liberal, or Canada would come apart at the seams. We were warned that Quebec would separate unless we in English Canada accepted bilingualism without question, and more recently we have been bombarded with threats that Quebec would separate unless the provinces allowed Trudeau to bring the BNA Act to Canada, on Quebec's terms.

We in English Canada have made countless concessions to Quebec through the years, but there is a limit as to how much any one province can demand under threat of breaking up our country. I think that we have been as reasonable as anyone could expect us to be, and the result of this was the victory last week of the separatist Parti Quebecois.

And make no mistake, the Parti Quebecois is committed to separating Quebec from Canada. They are committed to the break-up of Canada, and that has been the foundation stone of the party since it was founded in 1969. The separatists have been aided through the past nine years by the Liberal tactics of playing the French against the English, and English against the French, in order to hold onto power.

For a time Trudeau and Bourassa were able to blame all their troubles on English Canada, on bilingualism and on the Constitution. Now, however, the real issues have been brought into sharp focus by last week's election surprise.

Rene Levesque has already stated that he is going to "put the squeeze" on Ottawa, to see how much power he can get the federal government to shift to the Quebec provincial government, and how much more money he can get out of Ottawa. In other words, we are threatened with a tug-of-war between the Quebec and federal governments, to see who can influence the referendum Levesque says that he is going to hold.

We are now told that the referendum might be

called in two years, or it might be as long as four years from now. In either case, it would be too long for Canada and Canadians to be held up to political ransom. The time to settle the issue is now.

It is time now for leadership, at the federal level, for a change. It is time for the federal government to serve notice on Quebec, and on all other provinces, that Canada cannot be broken apart by any dissident group, by any provincial leader, or by any province. I believe that Canadians from one end of our country to the other are as fed up as I am with these constant threats to our future and security as a sovereign nation.

There is no provision in our Constitution for allowing anyone to break up our country, and it is time for those of us who want to preserve Canada to speak as loudly, as firmly and as convincingly as those who would see Canada split asunder. We, after all, are in the majority.

Case to be taken to higher court

Karl D. Gardner of Wil-
lowdale, charged with bodily

Correction

In our issue of November 17 a court report stated that a Mervin E. Preston had failed to appear in court on November 9 to answer charges of obstructing a police officer and assault with intent to resist arrest. A correction to that article is necessary. M. E. Preston did appear in court and there was no warrant for his arrest issued. As the article stated, the matter has been adjourned to December 1 for trial.

harm with intent to cause injury with regard to an incident in Lutterworth on July 22, appeared before the Provincial court in Minden on November 16.

The case has been committed for trial at a higher court, by judge and jury. No date for the trial has yet been set. No evidence on the matter was read at court on November 16, pending on the trial.

Set date

Charged on September 20 with careless driving Françoise E. Walton of Burlington was at court in Minden on November 16 to set a date for trial.

The matter has been put over to February 8, 1977.

Charge dropped in court

Gary W. Venner of Toronto and Neil E. Briggs of Richmond Hill were in court on November 16 in Minden, both charged in connection with a car accident at highway 35 and the Sandy Bay Road that occurred August 7.

Both drivers were north-bound on highway 35. Mr. Briggs was making a left hand turn onto the Sandy Bay Road when Mr. Venner who was passing a line of cars headed by Briggs, struck Mr. Briggs' car. Considerable damage was caused.

A charge of making an unsafe turn laid against Mr. Briggs was dismissed after trial.

Mr. Venner, charged with careless driving, will be tried on May 10. His lawyer was unable to be present in court on Tuesday and request for adjournment was granted.

From the Chamber

by Bob Stinson

The Chamber in addition to having many more programmes underway than were in effect a year ago have also the added responsibility of serving a membership of almost double the size. Our staff and our directors are going to need help to accomplish all they are planning for the coming year. You may not have the time nor the interest to be involved in the overall chamber programme, but hopefully many of you may be interested in helping in some specific area. It may be that you can help with a bit of your time, or your knowledge, or both. Below are listed the Chairmen of each of the chamber's committees along with their phone number. Please consider phoning any one of them that is involved in something you are interested in, and let them know of your interest. On the other hand you may feel we should have a committee involved in something that is not listed - in which case you are invited to call the office and discuss it with us.

Finance Committee - John Hogg - 489-2211 Tourism Committee - John Teljeur - 457-2281 Public Affairs - Norm Healey - 457-2007 Membership Committee - Barbara Bolin - 457-1680 Business & Ind. Committee - Mike Vuksic - 286-1806 Advertising Committee - Don Nye - 286-2794 Special Projects - Ron Barr - 447-2039 Public Relations Committee - Peter Priestman - 448-2321 Property Committee - Bob Mann - 489-2036 Downtown Renewal - Marshall Leighton - 457-2161 Canada Manpower Outreach Project-Chamber Office - 286-1760.

These committees do not meet on a regular basis, only as required, to perform their duties. They are chaired by busy people, and we know you are busy too. If you give them a hand you will make their job easier and we're sure you will feel better for having helped.

Dick Wilson and Bob Smith hosted a reception at PineStone Inn last week to enable us all to become acquainted with them. As the new owners of Haliburton Hockey Haven they are responsible for considerable input into our economy and we were certainly pleased to meet them and hear some of their plans. These aggressive young men are determined to get the camp operating at capacity and have also agreed to use as many local people in their operation as possible. We certainly welcome them into our business community and wish them much success.

In the spring of 1974, five High School Students, Joy Johnson, Bonnie Dunford, Barb Dunford, Connie Bowers and Ann Crawford compiled a collection of folklore and memoirs from our county with assistance of an Opportunities for Youth Grant. With the aid of a second O.F.Y. Grant their work has now been published in book form, entitled "Remembering When". We congratulate these students on their excellent effort and recommend the book to anyone who has an interest in our heritage. It is available at the Libraries, and we understand it is Free to our senior citizens.

We have a new twist to our Elimination Draw/Dance on December 11th. A bus will be made available at \$2.00 each to provide transportation from Minden and Haliburton to Wilberforce and return. Enjoy yourself and leave the driving to Travelways. -- If the \$1,000.00 winner is on that bus it will certainly be a lively trip home.

NEWS FLASH-- The "Haliburton is For Lovers" charm is now in stock at Varty's in Haliburton and Robinson's in Dorset.

COMING EVENTS

Saturday November 27 - Christmas Bazaar and Bake Sale in the Minden Recorder Office at 1 o'clock. Proceeds to Minden Figure Skating Club.
Thursday December 2 - Bingo at the Orange Hall in Haliburton sponsored by Haliburton Minor Hockey Ladies Auxilliary. (This Bingo is for prizes not money.)
Saturday December 4 - Christmas Bazaar & Tea at St. Paul's Anglican Church, Minden - 2 till 4:30 p.m. Adults 75 cents Children 35 cents.
Saturday December 11 - Chamber of Commerce Elimination Draw Dance at Lloyd Watson Memorial Hall in Wilberforce - \$20.00 per couple includes chance on \$1,000. Live band - Cash bar.
December 15 - W.I. Christmas Party.
Minden Rotary New Years Eve Ball - Community Centre - \$20.00 per couple 8:30 till ???

• CRAIG Power Play Boosters

County sports

By Jim Badgley

The Haliburton Huskies continue to stop skating in the third period and continue to lose hockey games because of it.

This week it was Lakefield that put it to the Huskies in the third period with three goals to come up with a 5-2 win.

One of the big problems the Huskies have going for them is the power play which seemed to be nonexistent at times in the Friday game against Lakefield. There was one case where the Huskies were unable to get even one shot on net during a two minute penalty to the visitors. To top it off the Lakefield player came out of the penalty box, picked up a rebound and fired it into the net to tie the game.

It is only speculation but had Haliburton been able to get anything going during that powerplay more than likely the outcome of the game would have been different as well.

A goal at that time would have given the Huskies a 3-1 lead and taken away the goal by Lakefield. No doubt the Huskies would have been given a lift and possibly could have gone to win.

The shining lights for Haliburton, so far this season, have been two defencemen, Tim Oram and Larry Stinson. Both have provided the major scoring punch in the attack with a total of eight goals between them.

Oram has been the real general on the team, controlling a great deal of the play while he is on the ice. His hard shots from the blueline and heads-up defensive work are paying off for the Huskies but not enough to provide a win or two.

The league is shaping up the way a number of people expected it to with Wellington off to a quick start and out in front. Bobcaygeon and Lakefield with Wellington off to a quick start and out in front. Bobcaygeon and Lakefield the two most recent visitors to Haliburton are showing their strength as well.

The Huskies and Bancroft are likely to give any of these teams a good run for their money before the season is over though.

With a couple of breaks here and there Haliburton could finish second in the league and be in contention for the championship.

The Haliburton Midgets picked up a new sponsor in the past couple of weeks and also seemed to pick up a little more inspiration to go along with it.

The Midgets are now sponsored by the Beaconbrook Hotel and since the sponsorship started the team has come up with two big efforts, a 6-3 win over tough opposition in Cannington and a 17-3 win over a weak club from Little Britain.

The 17-3 win, coupled with a 22-0 home opening win a couple of weeks ago against Omamee show the scoring power of the midgets. With a total of 39 goals in those two games I understand that the midgets are running rampant in their league's scoring race.

A 17-3 game isn't going to help the team keep playing good hockey, according to coach Bill Davis. Davis is somewhat concerned that the team will have some sort of let-down now after the easy win. He pointed out that the midgets went through the same thing after the 22-0 win in the home opener.

Huskies downed 5-2

Terrible third period

For the third straight game the Haliburton Huskies came up flat in the final period and ended up on the short end of a 5-2 score at the hands of Lakefield in a game played at the Dysart Arena Friday night.

Lakefield got four points, two goals and two assists from Randy Freeburn while the big gun for the Huskies was Tim Oram who picked up his fourth goal of the season.

Lakefield got on the scoreboard first when Freeburn took a pass in front of the Haliburton net and the puck was deflected by Miles Maughan. Paul Graham picked up an assist on the play which took place at the 7:11 mark of the period.

A Huskie power play right after the Lakefield goal fizzled when the club was unable to get even one shot at the visiting teams net.

Oram, the top scorer so far this season for Haliburton, netted his goal at the 10:30 mark of the period when he beat the Lakefield goalie, Bill Corner after a good passing play from Dave Levely and Mike Scheffee.

The first period was marred by a fight immediately after the buzzer when Oram took on Paul Graham. Both ended up with minor and major penalties.

The Huskies opened up

fast in the second period and took the lead at 4:59 when Mark MacDuff tipped a pass from Dave Hartwick into the Lakefield net.

Larry Stinson took a clear decision in a fight with Lakefield's Steve King at the 9:43 mark of the second period but it was the last

thing the Huskies were going to win all night.

Lakefield's Frank Young came out of the penalty box, and left uncovered picked up a rebound and tucked the puck past Randy Ellison to even the count.

Freeburn and Graham picked up assists on the play

which took place at 16:33 of the period.

The two teams remained deadlocked until the 10:33 mark of the third period when Leland Jacobs tucked the puck past Maughan who had just replaced Ellison. The goal came from a scramble in front of the net

after Maughan had made a couple of saves but the Huskies defense was unable to clear the puck.

Doug Shannon and Young picked up assists on the play.

Two minutes later another scramble in front of the Huskies' net resulted in a 4-2 lead for the visitors. Gerry O'Grady lifted the puck over a sprawled Maughan to get credit for the marker. Freeburn was given an assist on the play.

Freeburn put the Huskies out of their misery with only 39 seconds to play in the game when he connected on a good passing play from Graham and Greg Tivy.

Referees Wayne Scott and Blaine Smith handed out a total of 27 penalties in the game with 14 going to Haliburton.

A slow third period cost the Haliburton Huskies a game last week. Lakefield picked up three goals in the third period to get a 5-2 win.

Midgets

take win

right in

Cannington

The Haliburton Midgets came up with their best effort of the season Tuesday Nov. 16 when they downed Cannington 6-3 right in Cannington.

Kevin O'Hara opened the scoring for Haliburton at the 4:12 mark of the first period when he scored unassisted. Just one minute later Dwight Sisson put Haliburton ahead 2-0 when he scored an unassisted goal.

Cannington came back at 6:24 to run the score to 2-1. Brad Nicholson netted the goal from Tony Scheepers.

Dean Potter's goal, which gave Haliburton a two goal lead again, ending the scoring in the first period at the 13:41 mark. Bernie Nicholls picked up an assist on the goal.

Cannington came back in the second period with goals by Nicholson, at 5:06 from Jim Cadieux and Ernie Serivens from Nicholson at 9:49 to even the count.

Two late goals put Haliburton in the lead for keeps. Dave Harrison scored from Nichols with just one minute remaining in the period and Sisson connected from Nichols with just one minute remaining in the period and Sisson connected from Nichols with 41 seconds to go to give Haliburton a 5-3 lead at the end of the second period.

The only goal in the third period was Nichols from Sisson at the 6:27 mark.

A total of 20 penalties were called in the game with Cannington taking 12.

Records stay the same in Wednesday bowling

No scores were able to change the records in the Wednesday Afternoon Mixed Bowling League but a few were impressive enough to boost some averages a little higher.

Marie Jenkins became a scratch bowler with her triple of 232, 234, 229 (695) and Bill Barber's 641 triple got his average up to 196.

Other high triples were Jack Henderson 616 and 712 and 675 respectively for spare bowlers Art Beatty and Wes Stata.

High single went to Norma Parish with a 260. Mildred Beatty had a 242, Ev Griffin, 241, Nancy Stinson 232 and Carol Henderson 220.

Going into the last week of the 1st series, the Flyers have 41 points followed closely by Floozies 35, Sooners 34, Holly Hawks 34, Jets and Fonzie's each 33.

Hope to see Alma Stewart and Phyllis MacDuff back soon. Must remind Wes Stata that Ev Stata lives on Grass Lake too! He forgot to take her home!

Tri-county hockey

The teams from Haliburton saw a great deal of action on many fronts during this past week in the Tri County League. Nov. 17 saw the Midgets travel to Ops where they defeated the host team 7 to 3. Congratulations to the boys on their win and the best of luck in their next game against Sunderland on Thur. Nov. 25 at 8:00 p.m. in Haliburton. They also have games on Sat. Nov. 27 in Omamee at 5:00 p.m. and Mon. Nov. 29 in Sunderland at 8:30 p.m. The Sunderland game is played in the Cannington arena.

The Bantam team recorded their first shut out victory with a 3 to 0 win over Omamee on Sat. The shut out was recorded by Peter Scheffee and goals were scored by Scott Welch, Brian Lloyd and Jim Hogg. This week the Bantams meet the Minden Bantams for a 7:00 p.m. game on Wed. Nov. 24 in Haliburton and then host the Beaverton Bantams on Sat. Nov. 27 for a 4:30 p.m. game. Monday, Nov. 29 sees our Bantams travelling to Cannington for a 7:30 game.

The Pee Wee team came from behind to gain a 3-3 tie with Sunderland on Saturday night. This is a full week of action for them as can be seen by then schedule listed below.

1. Mon. Nov. 22 Hal. at Beaverton 7:00
2. Sat. Nov. 27 Fenelon Falls at Hal. 3:15
3. Sun. Nov. 28 Hal. at Minden 4:30 p.m.
4. Wed. Dec. 1 Hal. at Bobcaygeon 7:45 p.m.

The atom team ran into stiff competition as they were defeated 8 to 1 by Fenelon Falls on Saturday. Haliburton's lone goal was scored by Trevor Powers. The atoms face action Tuesday Nov. 23 as they travel to Minden for a 6:00 game. On Sat. Nov. 27 the atoms will host the atoms from Omamee for a 2:00 game.

Schedules have been made up and will be distributed to the players and will be posted at the arena.

Midgets clobber club from Little Britain

When the Haliburton Beaconbrook Midgets win a hockey game at home they do it in a big way. Saturday night they crushed Little Britain 17-3 which can be added to a 22-0 win over Omamee in the club's home

opener a couple of weeks back. Rod Consack and Bernie Nicholls provided about all of the scoring punch any team would need to come up with a victory. Consack scored eight goals and added a pair of assists while

Nicholls counted five times and set up five goals. Haliburton didn't waste any time showing how the game was going to go. Nicholls picked up the first goal of the game at the 42 second mark unassisted.

Just 20 seconds later Dean Potter scored from Consack to run the count to 2-0. Potter then set up Nicholls at 6:32 to widen the gap to 3-0.

Two minutes later Consack got in on the scoring on a play from Nicholls and Potter.

It was Consack again from Nicholls with 27 seconds remaining in the period to send the two teams to the dressing room with the score 5-0.

Little Britain came out in the second period like they may have settled down and Ralph Leach put them on the scoring board after only six seconds were gone in the period.

Consack ended any thought Little Britain had of a comeback a minute and a half later scoring unassisted.

It was Consack again at the 5:04 mark of the period when he connected from Nicholls and Mike Scheffee.

Andy Salvatori ran the count to 8-1 a minute later on a play from Kevin Noseworthy and Mike Iles.

Nicholls picked up his third tally of the game at the 7:29 mark. Consack picked up an assist on the play.

Consack's fifth goal of the game came at the 9:33 mark of the second period when

he connected from Nicholls.

Salvatori got his second marker of the game just over two minutes later with assists going to Noseworthy and Chris Hodgson.

It was Consack again with 2:20 to play in the period from Nicholls and Ed Roberts.

Kevin O'Hara added insult to injury with only 19 seconds remaining in the second period when he scored unassisted to bring the count to 13-1.

The hometown crew came out in the third period as if they were going to shoot for another 20 goal evening when Consack scored from Potter and Nicholls after 17 seconds had gone in the period.

One minute later Consack rescored his eighth goal of the game on a pass from Mike Iles.

Nicholls gave Haliburton a 16-1 lead at the 6:04 mark of the final frame scoring unassisted.

Little Britain's only guiding light for the evening, Leach, scored his second goal of the game 15 seconds later with an assist going to Stacy Savage.

Nicholls picked up the final goal for Haliburton unassisted at the 7:50 mark of the period.

Blair Hicks scored Little Britain's third goal with two minutes remaining with an assist going to Ken Imrie, the goalie.

Only 13 penalties were called in the game with eight going to Haliburton.

This and that

By Jennifer Woods

We all use herbs in cooking, and I thought that you would like to know more about them. Most cookbooks that I have read recommend that you use herbs towards the end of cooking in this way they cannot cook too long losing flavour or imparting a bitter taste to the food. Now I would like to discuss the characteristics, origins and uses of some common and not so common herbs.

THYME

Thyme is used to flavour stews, soups and sauces. There are many varieties of this herb. In specialty shops you can find Lemon Thyme, it should be exclusively with eggs and it adds a flavour that is really beyond words.

PARSLEY

Parsley is usually thought of as a garnish but it contains a wealth of vitamins. It is excellent in a sauce on steamed fish and chicken.

SAFFRON

Saffron is one of the worlds most expensive flavouring agents. It comes from the stigma of a certain type of crocus. It gives a yellow colour to the foods it is added to (saffron rice). It is a very strong and 1/4 of a teaspoon is enough to flavour and colour enough rice for four.

MINT

There are approx. fourteen varieties of mint. The most popular are Spearmint and Peppermint which can be easily grown in windowboxes at home. We usually use it with lamb but try it in peas at any time, it really perks them up and makes the house smell fantastic.

FENNEL

Fennel is used a great deal by the Italians. It is a feathery herb that looks something like a dill. It is great in fish sauces and salad dressing. Fennel seeds are famous for their use in liquors of the anisette variety. The bulb of the fresh fennel can also be used in a salad. Once again it gives a delightful anise of liquorice flavour.

ROSEMARY

Rosemary is better if it is used fresh rather than dried. This herb has a fresh sweet pinewood flavour. It is used with baked chicken (it is delicious!) and it is excellent on steak.

CHERVIL

This delicate feathery herb is a member of the parsley family. It is excellent in Hollandaise Sauce and in omelettes.

BASIL

This herb is very popular in Southern Europe and some liken its aroma to cloves. Use it on lamb chops for a change and Italian dishes. It is very good in a salad and can always be used as a garnish to give that finished look.

OREGANO

It is closely related to marjoram and is sometimes called wild marjoram. It goes especially well with tomato dishes. It is the most important ingredient in pizza as it gives it that distinct flavour.

SAGE

This herb is fragrant though a little bitter so it is best to use it at the end of your cooking. It has a very strong flavour so it must be used with discretion as it can swamp other delicate flavours. Use it in stuffings for chicken etc. and it goes very well with pork.

DILL

A lacy, delicately flavoured herb dill is very popular. Fresh sprigs of this herb mix well with salads and fish. Try cucumbers with sour cream and fresh dill and new potatoes with butter and fresh dill.

I hope you have learned something new about herbs as I certainly did. Try a little experimenting with new herbs on your daily foods. I can't think of a better way to put new interest in foods that you have grown used to. I especially recommend marjoram on pork chops and rosemary on chicken. Good luck with your experimenting.

Jennifer Woods.

Echo Family

Double ring ceremony

A very pretty double ring ceremony was solemnized in Haliburton United Church Haliburton, Ontario. The Chancel was decorated with baskets of apricot colored gaidiolis, white daisies, and apricot colored carnations on Saturday, August 28, 1876 at 4:00 p.m. when Irene Ella Shipley of Oshawa, Ontario (formerly of Englehart and

Haliburton, Ontario) daughter of Mr. and Mrs. Frederick Earl Shipley of Haliburton, Ontario became the bride of Gerald Michael Rogers of Oshawa, Ontario, son of Mr. and Mrs. Albert Rogers of Oshawa, Ontario.

The officiating clergyman was Rev. Donald H. Nicholson, B.A., M. Div. The soloist, Mr. John Miller of Haliburton, Ontario sang

"If" just prior to the bride coming up the aisle and "Wedding Song" during the signing of the register and was accompanied by Mr. William Gliddon of Haliburton, Ontario who was the organist for the ceremony.

Given in marriage by her Father, the bride wore a gown of soft chiffon. The sheer yoked bodice with stand-up collar was lavished with venise lace and daisies, as was the full lantern sleeves and waist. The floured skirt led to a full chapel train also trimmed with venise lace and daisies. Her headdress was a cap of daisies which held a chapel length veil of illusion edged with daisies. She carried a cascade bouquet of white daisies, sonya roses and baby's breath. The "something old - something borrowed - something blue" was the brides Mothers wedding garter. The "something new" was the grooms gift of a diamond pendant necklace and diamond stud earrings.

The Maid of Honor was Miss Pamela Schroter, friend of the bride from Bracebridge, Ontario. The Bridesmaids were Miss Donna Glover, friend of the bride from Oshawa, Ontario, Miss Nancy and Kathleen Shipley sisters of the bride from Haliburton, Ontario. The Flower Girl was Miss Erin Poulton, niece of the groom from Oshawa, Ontario and the Ring Bearer was Master

Jeff Poulton, nephew of the groom also from Oshawa, Ontario.

The Maid of Honor, Bridesmaids and Flower Girl were gownned alike in a floor length dresses of polyester taffeta either in apricot or mint green which were overlaid with white embossed organdy, styled with square neckline, empire waist, short flute sleeves edged with daisies. The skirts were trimmed in lace giving an apron effect. They carried nosegays of matching tinted carnations, white daisies, baby breath and matching colored ribbon streamers. Their headdresses were apricot or mint green picture hats trimmed with matching ribbon. The Flower Girl wore a head piece of white daisies.

The Best Man was Mr. Richard Harman, friend of the groom from Oshawa, Ontario. The Ushers were Mr. Tony VanHeugten and Robert Kane, friends of the groom also from Oshawa, Ontario.

For the Reception held at the Haliburton Legion Hall, the brides Mother received wearing a coral color polyester knit floor length sleeveless gown, with matching long sleeved "fish-net" lace jacket with accessories of gold and corsage of a Phaelanopsis Orchid. The bridegroom's Mother was in a pastel pink silky polyester knit floor length sleeveless

gown with matching long sleeved jacket with accessories of silver and a wrist corsage of Double Pinks.

For a honeymoon to the New England States and the Canadian East Coast the bride wore a two piece red jersey polyester knit cap sleeved dress with bone color accessories. Upon returning home, the happy couple will reside at Oshawa Ontario.

Out of town guests attended from Englehart, New Liskeard, Manitoulin Island, Oshawa, Cobourg, Belleville, Trenton, Toronto, Burlington, Sarnia, Whitby, Bowmanville, Weston, Lindsay, Georgetown, Islington, Bracebridge, Rexdale, Bewdley and Willowdale, Ontario. Also Buffalo, Depew and Grand Island, New York.

Mr. and Mrs. Gerald Rogers

Bill Smiley

©The Argyle Syndicate Ltd.

I GOT talking to a chap at the curling club the other evening. He seemed a pleasant, straight-forward, friendly sort of bloke and we bought each other a drink.

"My name's Jake, Jake Sloan," he introduced himself. I reciprocated. Somehow the conversation got around to Canada's immigration policy, which seems to be disturbing a good many people these days. I asked him what he thought of it all.

"Oh, I got nothing against immigrants," he said, expansively. "The country needs them." I asked him why.

"Well, we gotta have Chinese and Greeks to run the restaurants," he opined, "for one thing."

"Yes?"

"And we need the Japanese for market gardeners, and the Etyetians for construction work and running the fruit stores."

"Is that all?"

"Well, we need a lotta hunks for the heavy work, like, you know, mines and longshoremen and all that."

"You have no prejudices then, about allowing people into this country?" I queried.

"Absolutely none," he replied firmly. "We gotta have them West Indians so as people in Toronto can have domestic servants, and there'll be somebody to do the dirty work."

"How about Indians?" I asked.

"Well, I kinda feel sorry for them. They were here first, but now they're all drunk or on welfare or both."

"Actually, I meant people from India. And Pakistan."

"Oh, them. Well, I'll tell ya. A little bitta them goes a long ways. They're all too well educated. They come here with nothing, and first thing you know, they're doctors and teachers and all like that, and taking jobs from our own people, and thinking they're as good as we are."

"How do you feel about Europeans?"

"Waddaya mean?"

"Well, you know, French, Hungarians, Poles, Czechs, Yugo-Slavs..."

"Oh, now, wait a minute. We got enough frogs already in this country. And them others, they're too smart. They come out here on a shoe-string, and before you know it, they own 200 acres of prime tobacco land, or they turn into architects, or they own a shoe factory and boss a whole lot of real Canadians around."

"You haven't mentioned the Germans. We have a lot of them."

"Ya, the Krauts are O.K. They're clean and they're good workers. But you know what happens, eh? They save their money and first thing

you know, they've bought a summer cottage and live like kings, just like they won the war, or something."

"I presume that you'd have no objections, then to a steady flow of immigrants from the U.K., English, Welsh, Scots, Irish?"

"Well, I wooden go that far. The Limeys are sorta hoity-toity, like they got a plum in their mouth. The Welsh can sing, but they're crazy. The Mickes are either Catholics or drunks or both. And the Jocks are pushy peasants with an accent that would curdle your blood."

And most of them are skilled tradesmen, stealing the bread out of an honest Canadian's mouth."

"How about the Portuguese," I asked rather desperately, "or the Arabs?"

"Well, now, the Portuguese tend to crowd together in the cities. They'd be O.K. if we had a sardine industry, or lotsa olive trees. But we ain't. A few a them Arabs might be awright, if they brought some of their oil money with them. I wooden mine being an Arab, you know," here punching me jovially with an elbow.

"Three or four wives, an I hear all ya gotta do to get a divorce is clap your hands three times an say 'I divorce you!' Priddy neat, eh?"

I agreed it was priddy neat.

"You certainly seem to have an open mind about immigration," I suggested. "But if you were to become Minister of Immigration, to whom would you really open your arms? South Americans, perhaps?"

"No way. Them spics are always having revolutions and such. And half them can't speak any English. No, I'd like to see us thrown wide open to Australians. They're pretty mouthy but they're good drinkers, like Canadians. And besides, they're so far away we wooden get many of them."

I shuddered.

"Next," he said, showing that he was in touch with world affairs, "I'd welcome a whole slew of them Rhodesians, if they hafta get outa their own country. They're white, good workers, and they know how to keep the blacks in their place. Just to make sure they didn't take a lot of good Canadian jobs," he chortled, "we could send them up to the Mackenzie River area to sort out the Indians and Eskimoes."

It was getting on. I asked Jake, from a combination of curiosity and politeness, what his own ethnic background was, as I couldn't even imagine it.

"Oh, I'm a pure Canadian. My grandfather was Polish, and he married my grandmother, who was half Scotch-half Indian. My ole man changed our name, from Slovinski to Sloan. We're third-generation Canadian."

I went home and washed out my brain with soap and water, and wondered, for not the first time, at my fellow Canadians.

Boughner - Lloyd

Lakeside Church scene of wedding

The Lakeside Baptist Church in Haliburton was the scene of a very beautiful full wedding on Oct. 23, at 7:00 p.m. as Sharon Boughner, only daughter of Mr. & Mrs. Roy Boughner of Haliburton, was united in holy matrimony with Stephen Lloyd, son of Mr. & Mrs. Donald Lloyd of Haliburton. This candlelight service was performed by Rev. John Smith midst bouquets of fall flowers. The organist was William Gliddon of Haliburton.

The radiant bride, given in marriage by her father, wore an empire waisted gown of white polyester jersey with a chapel train. The dress was trimmed with broad lace and pearls. The bridal bouquet consisted of bronze silk mums, white mums and dried flowers.

The Maid of Honour was Miss Susan Walling and the

bridesmaids were Miss Sharon Lloyd, Miss Patti Morrow and Miss Karen Barry, all of Haliburton. The bridesmaids wore exquisite in their rosewood gowns, carrying bouquets of dried flowers and mums.

The flowergirl, Miss Carmen Porter of Burlington, cousin of the groom looked very dainty in her long, white gown carrying a basket of dried flowers.

The ring bearer, Master

Randy Bird of Haliburton, cousin of the groom, was handsome in his brown tuxedo.

Mr. Kim Colliss of Minden was Best Man and the ushers were Mr. Rick Boughner and Mr. Terry Lloyd of Haliburton. Mr. Ted Metherall of Woodstock and Mr. Rick Kinsmen of Minden. The groom's attendants wore dark brown tuxedos.

The reception was held at the Canadian Legion in Haliburton where the bride's

mother received wearing a dress of royal blue chiffon over satin with bell sleeves, accentuated by a corsage of white carnations and mums. The bridesgroom's mother wore a burgundy gown of polyester crepe with matching jacket and a corsage of white gladioli.

The bride's going away outfit was a rust coloured pantsuit with matching accessories.

The happy couple left for

their new home in West-askwin, Alberta.

Guests were present from Regina, Burlington, St. Catharines, Port Colborne, Woodstock, Bradford, Toronto and Lindsay.

Mr. and Mrs. Stephen Lloyd

Property taxation discussed at fall meeting

Reform of Property Taxation in Ontario was dealt with extensively at the Fall

Meeting of the Association of Tourist Resorts of Ontario October 25 to 27th at Caswell Resort Hotel at Sundridge when ATRO director Ron Stanton of Bayview Wildwood gave an explanation and full report on the subject. A panel discussion with representatives from the Ministry of Revenue (Assessment Commission) presented explanations and answered many questions from the membership.

From the Haliburton area were ATRO President Bruce Henry and Marion of Hallmar Resort, First Vice-President and Convention Chairman Art Ward, and Joan of Wigamog and Pinestone Inn, and the assistant manager, Dan Ratcliffe, ATRO secretary Mrs. Eileen Crawford, Director Dale Anthes and Wanda of Maple Sands Resort, and Mrs. Monica MacNab of the Red Umbrella Inn. Also were three Mr. Peter Hughes, and Mr. Wyn Bestwick of the Huntsville branch of the Department of Industry and Tourism.

Many interesting topics were discussed concerning the tourist industry, in this three day meeting, including a panel on advertising, with speakers from the Toronto

Star, Globe and Mail and the Sun, plus talk from Claude Neon on outdoor signs.

The Tuesday luncheon speaker was Mr. Fred Boyer, Executive Director of Tourism in the Ontario Ministry of Industry and Tourism, speaking on "A backward look at 1976 and the look ahead to 1977". He stressed the need for Canadians everywhere to take a good new look at how we

treat our visitors, both domestic and foreign, and especially our neighbours from the U.S.A. Do we make them feel welcome and go out of our way to assist them? Tourism benefits every business in Canada and right here ... every resort, every store, service station, theatre and building industry, and public transportation and restaurant. Unfortunately

Canadians have been acquiring a bad image in these matters, judging by the letters the ministry receive!

Tom Hunter, General Manager of Horseshoe Valley Ski Resort spoke on preparing cross country ski trails, mapping trails and waxing rooms, and the tremendous popularity now of Cross Country Skiing. Vern Telford ... familiar on TV ... spoke on promotion and weather reporting for Cross Country Skiing and many questions followed. The Honourable Frank Miller, Ontario Minister of Health, also a resort owner and Member of ATRO, had many useful things to say regarding health matters as they pertain to resorts, and especially explaining the fire safety regulations.

Speaker at the Wednesday luncheon was Stan Darling MP for Muskoka Parry Sound, who also spoke forcefully about better treatment of our tourist visitors ... and the shocking attitudes of a few Canadians who rip off the visitors with taking too much monetary exchange and unfortunately project an attitude of Yankee go home, to spoil good relations for everybody. The whole meeting was informative, inspiring and with many lighter moments thrown in.

Professional development day for Victoria Street School

Wednesday, November 10th most of the staff travelled to Toronto to the Ontario Institute for Studies in Education. A program has been arranged especially for us. Dr. Kent Henderson, Associate Professor of Psychology, conducted a morning lecture and discussion period concerning Motivation K-13. The staff were able to discuss particular aspects of behaviour with Dr. Henderson. In the afternoon we were shown two films one on "Play" and one on "Behaviour Modification". These were able to assess and discuss with Dr. Henderson as well. The library and learning Materials Centre were open for our inspection. The staff had a rewarding time pursuing materials for use in the classroom.

Those of the staff who did not visit Toronto, travelled to Ops Elementary School in Lindsay and were warmly received by the teachers there. Our teachers were encouraged by seeing new ideas and be strengthening their convictions and ideas already in use in their own classrooms. These same teachers remained in our own school on Friday preparing classrooms and curriculum for their pupils.

The Toronto groups visited the Hospital for Sick Children on Friday. We were privileged to spend the day with Dr. Rebhan, an expert in assessing, diagnosing and treating children with learning disabilities. Dr. Rebhan permitted us to sit in on 3 case studies of children as discussed with herself and the psychologists and speech pathologists assigned to these children. We were able to hear how these children can be helped and recognized some of the problems of our own children in the discussion. Dr. Rebhan then assessed a child for us and we were able to bring back her methods to speak to teachers and parent groups. If enough interest is shown for this we shall contact her and make the necessary arrangements.

Our teachers are indebted to Mr. J. Douglas Hodgson and our Board members for their trust and faith in us to be able to plan our own Professional Development Days. We know the information and contacts we made on these days will be valuable to us for use in our classrooms.

Bible Sunday important

Bible Sunday is a very important day for the Canadian Bible Society as many congregations give their people an opportunity to make a gift to the Bible Society on that day. This year, December 5th is the date chosen for that occasion.

Without the help of the people, any society is unable to function, and without the help of people the Bible Society can not produce any Bibles for a needy world. The urgency of the task is great as many countries are anxiously looking to the Bible Society for help in translating and printing the Word of God in the language of their people.

It is encouraging to note the request for help in producing and supplying the Scriptures from the Eastern countries. The Bible Society has never used and underground method of getting Bible into closed-door countries and that is seemingly paying off to-day. The governments recognize their open handed approach and permission to legally enter iron countries is usually granted. Thus most all Eastern European countries are now accessible with the exception of Albania.

As 1976 draws to a close would it not be a profitable time to remember the work of the Bible Society at home and abroad. Perhaps some congregations would be able to remember this fine Christian work when they set their budget for the year ahead. Why not include the Bible Society in it? For more information call 286-2034.

Homemaker brief has been submitted for area

A brief outlining the need, and appeal for funds to begin a Homemaker service for the County has been submitted to the Ministry of Social Services on behalf of the combined forces of the Minden, Haliburton and Wilberforce Red Cross Associations.

The Minden Red Cross has been examining the possibility of establishing a Homemaker service but was waiting for approval of the project from the Wilberforce and Haliburton branches. All three have jointly submitted a request for a grant

from the Ministry of Social Services to help establish Homemaking in this area. Homemakers are paid workers, not nurses, who provide in the home help for the elderly and semi-invalid who need some assistance to live at home.

Grants are available from the Ministry of Social Services, according to Betty Spry, the regional vice president of the Red Cross, for proposals that deal with alternatives to traditional institutional care. The Homemaker service, administered by the Red Cross, would hope to maintain seniors in their homes. Mrs. Spry said, rather than removing their independence by forcing them to enter an institution for minimal needs.

The Homemaker service would be self supporting, as the workers are paid, either by the private individuals they service or by government agencies who have the care of patients. The grant that has been applied for is intended to offset the costs of setting up the administration of the program.

There are Homemakers in the area at present, who work under the direction of Homemaker, part of the Haliburton and Kawartha Pine Ridge Health Unit in Lindsay. Homemaker provides home nursing care, and also hires Homemakers to provide additional assistance to about 35 per cent of the Homemaker patients.

Marlene Edwards, director of Homemaker for the Health Unit, explained that while Homemaker is funded 100 per cent by the Ministry of Health, the Homemaker service, in most areas administered by the Red Cross, is operated as a non-profit organization that collects from customers a daily fee that covers the wages of the workers and administrative costs.

Mrs. Edwards sent a letter last spring to the Ontario Division Office of the Red Cross in Toronto, asking that the Red Cross in Haliburton be encouraged to implement a Homemaker service. The Homemakers in the County now receive training from the Homemaker workers who direct them. Mrs. Edwards said the Homemaker service should be available to all not just to those who are under Homemaker. She also feels that Homemakers working in Haliburton should receive supervision from someone in the county. The program is needed in the area, Mrs. Edwards feels, because of the older population. It would provide employment for women in the area who could be trained as Homemakers and would be a very worthwhile operation for the Red Cross Associations.

The Red Cross Associations of Minden, Wilberforce and Haliburton agree. The brief that they have submitted gives the details of the amount of institutional care that is available in the area, and states that further to this, there is an estimated 25 per cent of the population who would benefit from private Homemaking that is not available at this time.

H.H.S.S. News

by Becky Davidson

On November 8, our girls' basketball teams hosted I.E. Weldon from Lindsay. Haliburton midgets won 30-25 with Miriam Vanderwal as high scorer with 10 points. Weldon juniors won 60-50 with Alison English as our high scorer with 16 points. Weldon seniors won 53-36 with Lou-Ann English as our high scorer with 7 points. Congratulations to our midget girls' team who finished 2nd in Kawartha West A Division November 17, in which we play only the larger 'AA' schools. This is the best showing by our midgets in a number of years and we are looking forward to a strong junior team next year. Our seniors will take an 8 point lead into their next game November 24. They defeated Norwood 25-17. The juniors met tough competition losing to Norwood 33-17, but with a good effort they should be able to make up the 16 point difference.

Now that our football season is over, the team is now involved in the sale of their sweaters as well as in voting for this year's outstanding players.

Our curling club has begun again under the leadership of Mr. Carl Wallace. This group has a lot of fun curling every Wednesday from 3:05 until 5:15.

A "50-Mile" club was started at the beginning of November with each member's goal being to run at least 50 miles over the course of the school year. So far, only five members have started running; Mr. Lerpiniere - 15 miles, Mr. Brohman - 9 miles, Mr. Oakley - 9 miles, Miss Keohler - 9 miles, and Angela Bishop - 3 miles.

Students and staff of H.H.S.S. may have their pictures taken Thursday, November 25 at 10:30.

This year's Parents Night held Wednesday, November 17 was a great success. Unlike previous years, the teacher/parent interviews were held in the gym, as opposed to specific classrooms which required appointments. This new system was favoured and enjoyed by all who attended this event. Congratulations for such a great idea and organization go to our principal, Mr. Mosgrove.

This is another reminder to the public of the Gr. 12's Theatre Arts Production of Noel Coward's "Waiting in the Wings" on December 3rd and 4th at 8:00 in the H.H.S.S. auditorium. Price of admission will be Adults - \$1.25 and Students \$0.75. Tickets will be available at the door.

FLU VACCINE CLINICS

THE HALIBURTON, KAWARTHA, PINE RIDGE DISTRICT HEALTH UNIT will be offering flu vaccine at the following clinics to residents over the age of 20. People with a chronic illness such as heart disease, diabetes, chronic broncho-pulmonary disease, chronic renal failure etc. should obtain their bivalent flu vaccine from their family doctor. Please phone your doctor for an appointment. Immunization is not recommended for those with allergies to chicken, chicken feathers or chicken eggs, or to those people with an acute illness.

Both monovalent and bivalent vaccines are now available. If further information is needed, please phone 457-1391.

Clinics will be from 2:00 p.m. to 6:30 p.m.

December 6, 1976 — Health Unit Office, Haliburton.

December 10, 1976 — Cardiff Community Centre, Cardiff.

December 14, 1976 — Hyland Crest Senior Citizens Home, Minden.

News from Extendicare

by Charles Plewman

I LIVE FOR THOSE WHO LOVE ME,
FOR THOSE WHO KNOW ME TRUE,
FOR THE HEAVEN THAT BANDS ABOVE ME,
AND THE GOOD THAT I CAN DO.

Thomas Buthrie

The Happy Gang made up of representatives from Extendicare are having a party for those who are 60 years and over on November 26th from 2:00 p.m. to 4:00 p.m. at Extendicare. We hope you will accept this announcement as a personal invitation. It will be a social affair with the emphasis on getting acquainted and having a good time. There will be a light program including some games and refreshments. Admission will be free. Senior Citizen groups in Dysart Township are especially invited. The party on Friday is being held in connection with the New Horizon program. The Federal Government, the sponsors, do not want senior citizens to opt out of life but rather to live up to their full potential. Some age groups are over activated. Senior Citizens on the whole are under activated. We hope you will take advantage of some of Extendicare's facilities.

This is the time when you discard last year's Christmas cards. We can use them for making Christmas decorations. We would be happy if you

would let us have them.

Interest is growing in pottery with nearly everyone starting from scratch. Leadership is being given every Tues. morning by May Burgess and a helper, two volunteers.

Mrs. Ruth Warren, an Inspector for the Ontario Ministry of Health, spent Monday, November 15th at Extendicare. She was quite happy with conditions here. It is reassuring to know that the Dept. of Health keep a close tab on the Nursing Homes during the past 15 years. With people living longer the need for homes for Senior Citizens keeps growing.

For your information, the X-mas dinner here will be served on Tuesday the 22nd of December at supper hour. This will leave the 25th open for the residents to have a Xmas dinner with friends on Xmas day.

Swine vaccine will be administered to most of the residents in the near future on request.

Thursday we had a hilarious birthday party for Mrs. Edith Hartle, Mrs. Hazel Parrish and Mrs. Augusta Borden. Some of the participants were out of this world, in fact their acts defy description.

Our Devotional Period on Friday was led by Pastor Glen Rosch of the Full Gospel Lighthouse with his daughter Sandra at the piano. He spoke of Joseph and how despite his coloured career never lost his faith and confidence in God.

Mrs. Lila Simmons left on Tuesday for Peterborough where she is having a check up.

Personals: Mrs. Wes Bradley and Mrs. Ian Bradley called on Mrs. Hazel Welch on Sunday from Kirkland Lake. Mr. & Mrs. Stinson from Halls Lake called on Hazel Welch on Sunday evening.

THE HOME STRETCH IS TRYING TO MAKE BOTH ENDS MEET.

Welcome to - open noon daily -

CARRIED.

Television station improving service

CKCO-TV Channel 11, Muskoka began broadcasting on February 25th, 1976. In meeting that sign on date, CKCI's original plans had to be modified because of zoning difficulties, however, the original plans have now been implemented, and can now insure constant dependable service to Channel 11 viewers, a release stated.

CKCI-TV was able to take advantage of new technology that will further insure better service. Currently, CKCO-TV serves much of Ontario from a transmitter site near Baden, Ontario of Channel 13, the Georgian Bay region on Channel 2, and Ontario's South West on Channel 42. Central Ontario Television is a wholly owned subsidiary of Electrohome Limited.

Gems of Truth

Sound Christian Teaching

There always has been and still is a great deal of confusion in the realm of Christian teaching. Much of this is due to the fact that the true source of Christian teaching as found in the letters to the Church, (the New Test. Epistles) is not heeded or sadly neglected. Many times Church truth is read back into the Old Testament and thus confused with Judaism lived with under the Law. Wherever the distinction between Judaism and Christianity and Law and Grace are not clearly held to, confusion follows.

From this pure doctrine of salvation the Galatians had been led astray by Judaizing teachers. Originally, the Galatians had accepted the pure Gospel, this is how they had become believers. Galatians 1:6-9. But now they had turned from Truth and leaned upon the works and deeds of the Law. They expected to experience and accomplish a perfect walk of life by doing so. It is thus that Paul says they had "fallen from Grace."

Paul would have us know that a "true believer" stands before God in the merit and character of Jesus Christ. We are saved by Grace "plus nothing"! From this faith principle the Epistles never depart, whether it be that of salvation of the sinner, or sanctification of the saint.

The Holy Spirit has given to us, through the Apostle Paul, two great doctrinal Epistles, in which are set forth the fundamental truths of the Christian faith. The letter to the Romans and the Galatians are these two. The Roman Epistle is however the chief one and in Galatians the error of doctrine is dealt with. There had been a departure from the true teaching of Grace.

In the Epistle addressed to such, Paul shows that there never was a greater error. He would have these believers know and understand that their position as "believers" in Christ was "perfect" because they were "justified" by faith in Jesus Christ. To be justified

Rested at the Funeral Chapel of John Welch & Son Ltd., Minden after 7:00 p.m. Thursday, for funeral service in the Chapel on Saturday, November 20, at 1:00 p.m. Interment at Minden Cemetery.

New safety council concept for driving

The Canada Safety Council is introducing a new driving concept at the same time as it launches "Safe Driving Week" (December 1-7) for the 20th time. Called the "Time Interval Formula", this idea will help drivers adjust some of their habits to metric driving, and help keep them safe at the same time.

One of the major causes of traffic accidents, injuries and deaths, according to the Council, is following too closely. Unexpected turns or emergency stops by the vehicle immediately in front can lead to a crash if insufficient space is maintained.

Never follow at less than a two second interval. That is, as the vehicle in front passes a stationary object, start counting 'one thousand and one, one thousand and two' etc. in normal cadence. If 'two' is reached before the object is passed, the following distance is normally adequate. If the object is passed first, the vehicle is too close.

More facts about advertising in Haliburton County

Effective advertising means reaching as many people with your message as you possibly can with the dollars you've got to invest. As advertisers you're concerned with the number of people who read what you've got to say. Remember, when you're buying advertising you are not just buying a certain amount of space ... more importantly, you're buying the readership that the newspaper delivers.

More people read The Echo than any other newspaper in Haliburton County and a close second is The Minden Recorder with just about double of any other area newspaper according to the latest issue of Canadian Advertising Rates and Data.

Statistics for our area from an Ontario Weekly Newspaper Association survey show that an average of 3 people with buying power read every Echo and Recorder distributed. That's a potential market of almost 25,000 people. If you would like to reach that kind of a market, give us a call at

457-1037 or 286-2205

Thank-You

I would like to take this opportunity to express my sincere thanks to relatives and friends who kindly remembered me with cards, flowers and gifts while I was a patient in Peterborough Civic Hospital, and after I came home. Your thoughtfulness was much appreciated. A special "Thank you" to Ruth Sawyer for her various good deeds.
Marg Harrison

I would like to take this opportunity to thank all my friends and relatives for their cards, visits and inquiries while I was in the hospital.
Special thanks to Dr. Lodenguai, Dr. Service, the Nursing Staff at Ross Memorial Hospital and the Minden Ambulance Drivers for their kindness shown towards me.
Thomas Hoyle

Sincere thanks to Doctors Brady, Service, Watson and the nurses of the second floor at Ross Memorial for their kindness and care.
Elizabeth Perrault

Margaret Finney and family wish to thank their many friends for the lovely cards, letters of sympathy and kindness during our recent bereavement in the death of our beloved husband and father, Norman.

IN MEMORIAM

GRAHAM. In loving memory of my dear husband, Y.C. Graham, who passed away Nov. 26, 1975.

May the wind of love blow softly on a quiet peaceful spot.
Where the one I loved lies sleeping and will never be forgot.
No length of time can dim the past too many memories hold it fast
Today, tomorrow, my whole life through
I shall always love and remember you.

Sadly missed and ever remembered by your wife
Nora and family.

LET WANT ADS WORK FOR YOU

Report from Queen's Park

by MPP John Eakins

On November 18 the Minister of Transportation and Communications announced new regulations regarding classification of drivers' licences which will become effective February 1, 1977. All drivers will be categorized for licensing purposes, depending on the characteristics of the vehicle driven. The categories are as follows: tractor-trailers or truck trailer combinations; school buses, full-sized buses, trucks or combinations weighing 10,000 pounds or less; small buses capable of carrying up to 21 passengers; small buses or ambulances; automobiles; small trucks or combinations; and motorcycles. Drivers of cars, light trucks and motor cycles need take no action to obtain new licences. When present licences expire, the new type will be issued automatically. Presently-licensed school bus drivers will be required to take a defensive driving course, if they have not already done so. Drivers of heavy commercial vehicles are expected to provide satisfactory medical reports every three years to age 65 and annually thereafter, and drivers will be notified in advance of the specific date at which the next medical reports may be required at any time from any driver for driver control purposes. These new regulations provide for a one year conversion for those who wish to upgrade their licences on the basis of their driving experience. All trucks and bus drivers and companies are urged to take action without delay to obtain replacement licences.

Ottawa East Liberal M.P.P. Albert Roy called upon the Government to lay criminal charges against the O.P.P. for bugging a privileged conversation between an accused killer and his lawyer last Easter without legal authority. He said there are transcripts of the taped conversation in the Lanark County Jail superintendent's office between Donald Turner, subsequently found guilty of non-capital murder, and his defence lawyer Mike Quigley, although none of the information received was used in the Turner trial. During a heated exchange on this subject, Mr. Roy called upon the Solicitor-General to produce the authorization specifying that a communication between Turner and his solicitor could be intercepted, and asked how the Minister could, as the senior law officer of the Crown, avoid taking a position on this matter. The Solicitor-General stated he was prohibited by the Criminal Code from tabling the authorization in question. When Mr. Roy challenged this statement, the Minister accused the Member of being irresponsible. The Speaker subsequently refused to allow Mr. Roy to read the full relevant section of the

Criminal Code, because the time for oral question period had expired, and the matter threatened to develop into a debate. Mr. Roy said the courts had already ruled that the order in question was a public document, and that the Minister was misleading the House. The Speaker asked Mr. Roy to withdraw this remark, and when he refused to do so, the Sergeant at Arms escorted him from the House.

As a result of Mr. Roy's initiative, the Attorney-General has assured everyone that a directive will go out to the proper authorities ensuring that authorizations will not include the bugging of a privileged conversation between a lawyer and his client. I find it most unfortunate that Albert Roy had to be placed in this position in order to receive this assurance.

According to NDP Leader Stephen Lewis, Ontario's bill on occupational health and safety is "after the effect legislation". He told the Legislature his party will support the bill in principle, but plans to introduce amendments. Among the changes which will be proposed is that there be mandatory testing of chemicals introduced in the workplace, apparently.

Ed Good, Liberal Member for Waterloo showed the Ontario Legislature a new lot voltage, high intensity light made by Wand-X of Waterloo. The Minister of Energy later conceded that such lights may cost a little more as a rule, but the energy saving more than covered the higher cost. According to Mr. Good, the Wand-X light, using 35 watts, produces the same light intensity as a 150 watt incandescent bulb.

Coaches clinic is well attended

A figure skating coaches clinic held by the Figure Skating Club was attended by 35 skaters from clubs in Haliburton, Bancroft, Fenelon Falls, Lindsay, Ops and Lakefield.

Doug Lamb of Ottawa was instructor for the day.

Commencing at 9 a.m., the day was divided between lectures in the auditorium and practical demonstrations on the ice. Lunch was served to all those attending. The day ended at 5 p.m. with a written test. Eleven Sr. Coaches, 22 Jr. Coaches and 2 Supervisory Coaches were successful.

Qualifying from Haliburton were: Janet Brooks, Nancy Shipley, Ann-Marie Van Loishout, and Cathy Tyler as Jr. Coaches, Mrs. Margaret Milne as Supervisory Coach and Jennifer and Angela Sisson as Sr. Coaches. Angela had previously qualified as a Sr. Coach, but took the clinic as a refresher course. These girls, working under the direction of Mr. John Lynch, club professional will now help with the teaching of junior skaters.

ously qualified as a Sr. Coach, but took the clinic as a refresher course. These girls, working under the direction of Mr. John Lynch, club professional will now help with the teaching of junior skaters.

Minden man gets promotion

National Defence Headquarters announces the promotion of W. Neil Russell of Minden from Lieutenant-Colonel to Colonel effective 15 November 1976. On the same date he assumes the appointment of Deputy Commander Air Transport Group.

Air Transport Group, a subsidiary of Air Command, is responsible for 11 squadrons and five detachments located from Comox B.C. to Ismailia, Egypt. Its function is to provide airlift for the Armed Forces and Canadian Government requirements as well as air search and rescue services from coast to coast. The Group's Headquarters is located at CFB Trenton, Ontario.

Colonel Russell was born in Minden, Ontario in 1935 and received his early schooling in Haliburton County, Lindsay and Toronto. He is a graduate of the Royal Military College, Kingston and the University of British Columbia. At the latter he gained a BA SC in Mechanical Engineering (aero-dynamics option).

Coincident with his RMC and university education, Colonel Russell took pilot training at various air bases in Western Canada gaining his Wings at Portage la Prairie in 1958. His first active flying tour was on F86 fighters at Zweibrücken, Germany. This was followed by flying on T33 jet trainers and later instructing on C45 Expeditors (back at Portage la Prairie.) Between flying tours, Colonel Russell held staff positions in Intelligence and Plans and attended Canadian Forces Staff School and the one-year Staff

Neil Russell

College course, both at Toronto.

Since 1969 Colonel Russell has been a specialist in air transport operations. As a Major he served on 436 (C130 Hercules) Squadron which was based at Ottawa

and then Trenton. On promotion to Lieutenant Colonel in 1973 he was posted to Air Transport Command Headquarters as Senior Staff Officer Joint Operations. From July 1974 to July 1976

he returned to 436 Squadron as Commanding Officer and then returned to Air Transport Headquarters, this time as Senior Staff Officer Standards and Evaluation. He has flown approximately

7000 hours, over half of which were gained as a C130 pilot on world-wide operations.

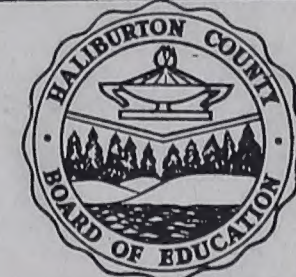

Colonel Russell is the son of M.S. Russell of Carnarvon.

Concerned with busing problem

Board of Education candidate Tom Little is concerned about the busing problems for students.

In a news release Mr. Little said that the service of busing in the area is a big factor and he sees that some improvements should be made.

Mr. Little also pointed out in the release that the public should be more aware of what is going on in the board of education.

Haliburton County Board of Education

TENDER

Tenders will be received by the undersigned until December 10, 1976 for #2 Grade Fuel Oil for the year 1977 for our schools in the following places:- Minden, Haliburton (4 schools), Gooderham, Wilberforce and Cardiff.

Approximately 175,000 gallons will be required.

Further information can be obtained from the Board Office.

It is preferred that oil be delivered before or after school hours for safety reasons and must be on an automatic delivery service policy. Metered slips must be attached to the invoices and sent to the Board Office for payment.

Bids should be firm for the year.

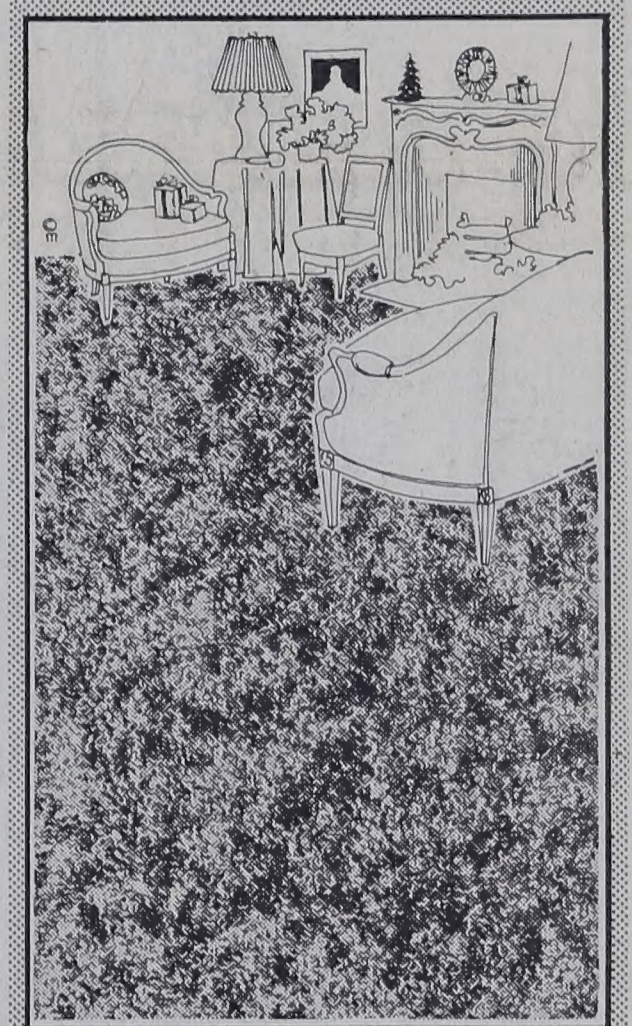

The lowest or any tender will not necessarily be accepted.

In the event of there being more than one acceptable low bid the contract will be re-tendered.

Please mark "Oil Tender" on the envelope and address to:-

Mr. J. Douglas Hodgson, Director of Education,
Haliburton County Board of Education,
P.O. Box 507,
